

Project Information

Fern Ridge Path – Safety Improvements Greenhill Road to Terry Street

Project Location

Fern Ridge Path between Greenhill Road and Terry Street

Project Overview

- This project will repair broken concrete panels in the Fern Ridge Path. The project will also replace the portions of the concrete path where it has shifted near the bridges. Some badly subsided path shoulders will be filled. Finally, the project may include solar powered path lights near Greenhill Road.

Construction Schedule

- Fall 2013

Traffic Impacts

- Segments of the path will be temporarily closed.
- Watch for construction signs and equipment.

Project Funding

- Major Funding Source
 - FHWA - SAFETEA-LU High Priority Projects Program and Transportation Improvements.
- Minor Funding Source
 - City of Eugene Transportation SDC's.
