

South Bank Path Rehabilitation Project

Riverplay to the DeFazio Bridge

Project Overview

- This project will relocate a segment of multi-use path adjacent to the Willamette River in Skinner Butte Park. It will also replace numerous panels of the existing concrete path that are showing signs of deterioration.

Project Location

- South Bank Path between Riverplay and the DeFazio Bridge

Construction Schedule

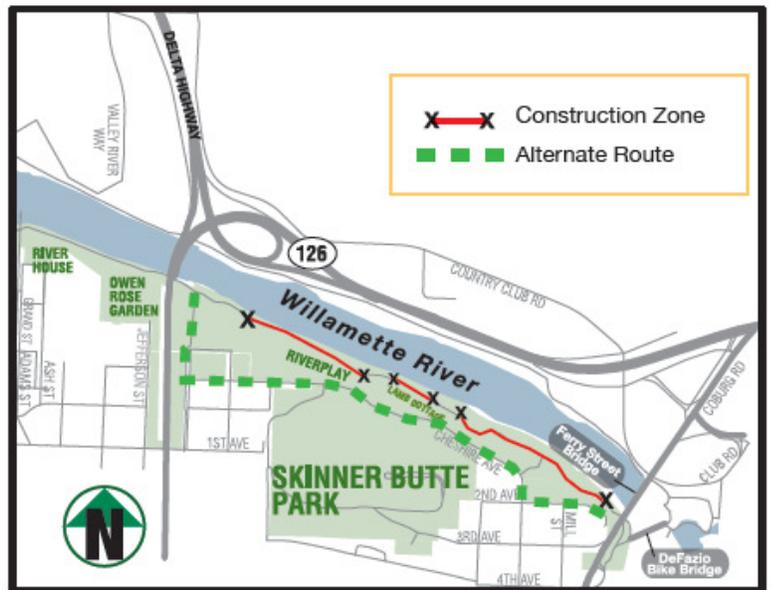

- Tentative Construction Schedule – September and October.

Traffic Impacts

- Segments of the path will be closed during construction.
- Watch for construction signs and equipment.

Project Funding

- Major Funding Source
 - 2008 Street Bond
